This is the ideal traveler's map of Egypt. Printed on waterproof and 'indestructible', rip-proof polyart paper, it will survive folding and re-folding, spilt drinks and possibly even an accidental dip in the Nile! Awarded Best Map by the International Map Trade Association, it features clear, modern mapping, a detailed index of places and points of interest and an easy-to-read key.

'Talk about indestructible - you'd need a paper shredder to destroy these maps ...the most accurate maps in the world' - "San Jose Mercury News".
