Publisher Comments: Queen of the Vampires Betsy Taylor is planning the perfect wedding to drop-dead gorgeous vamp Eric Sinclair. But in this fourth novel of Davidson's series, Betsy is plagued by ghosts, who demand her help in rectifying their past mistakes, and a serial killer on the loose. Synopsis: Christmas is a time for friends and family, but with a half-sister who's the devil's daughter, an evil stepmother, a fiend living in her basement, and a spring wedding to plan, Betsy the vampire queen's not sure she'll survive the holidays.
