face2face Classware offers you an exciting new way to use the Student's Book material in class. Whether you've got a computer and projector or an interactive whiteboard, this classroom software facilitates heads-up teaching, encouraging your students to interact even more with each other - and with their learning material. As well as containing all of the lessons from the Student's Book, the video from the Student's Book CD-ROM and the class listenings plus audio scripts, the face2face Classware also includes a phoneme chart and pop-up dictionary. What's more, the easy-to-use face2face Classware features comprehensive teacher's tips to make sure you get the most out of this new classroom software.
