Speak Now is the first conversation course with fully integrated video to help students develop communication skills. Speak Now is a four-level speaking course which develops students' communication skills.

Every activity in Speak Now includes a speaking component. Video activities are integrated every four lessons, providing real-life language models for students. Speak Now can also be expanded into a four-skills course through extra activities available in the Workbook and on iTools. The Multi-Skill Bonus Pack, available on Speak Now iTools, features targeted activities across every skill area. Key features:

- A speaking component in every activity develops confident and successful speakers
- Integrated video brings language to life and illustrates useful everyday language
- Review pages and testing material enables students to check their progress
- Multi-Skill Bonus Pack for expanding lessons to include all four skills
