The legend goes like this: Vincent Smith met bandmates Stevie Mullin and Lynton Powell at a Sex Pistols concert, where he tried to kiss Sid Vicious' bass guitar and got a bloody nose. Together they formed Blood Truth, and for a while they made a lot of noise, a bit of money and caused a sensation wherever they went. Then Vincent eloped with Sylvana, singer for the ethereal Mood Violet, and it all went wrong. Six months later Sylvana committed suicide, the band fell apart, and Vincent disappeared. That was 1981 and twenty years on, journalist Eddie Bracknell hopes the story of Blood Simple will be the making of him. He's got a book contract and all the right contacts, it's just that he can't get the different stories he's heard to fit together, never mind trying to work out what happened to Vincent. A compelling crime novel and a very modern fable, "The Singer" brings the intoxicating days of punk back onstage, with all its noisy creativity and explosive violence.
